

OUR MISSION

The NCCHC Foundation's mission is to champion the correctional health care field and serve the public by supporting research, professional education, scholarships, and patient reentry into the community.

OUR VISION

We envision a world with equitable access to health care practices, habits, and behaviors. Well-educated and supported correctional health care professionals can educate incarcerated patients for better health by introducing strong, consistent evidence-based medical and mental health practices.

Secure Your Legacy With a Planned Gift to the NCCHC Foundation

In today's world, giving back means creating positive change.
By making socially responsible contributions, you invest in a future that aligns with your values.

What Is Planned Giving?

Planned giving allows you to support the NCCHC Foundation's mission while aligning with your financial goals and values. By including us in your estate plans, you can make a meaningful contribution to the future of correctional health care. This also ensures your values are honored and may provide tax advantages for you and your heirs. Planned gifts are flexible and can be tailored to fit your financial situation and philanthropic goals.

Donor-Advised Funds

Support multiple causes over time with a DAF, offering flexibility, maximized impact, and immediate tax benefits.

Cryptocurrency Donations

Donate cryptocurrencies for a decentralized, efficient way to support charities, often with significant tax advantages.

Donating Stocks

Donate appreciated stocks to avoid capital gains tax, allowing the full value of your stock to benefit the charity and maximize your impact.

Charitable Gift Annuities

Transfer assets in exchange for fixed annual payments for life with a charitable gift annuity. This option provides you with a stable income stream and possible tax deductions.

Retirement Assets

By designating the NCCHC Foundation as a beneficiary of your IRA, 401(k), or other retirement accounts, you can avoid income and estate taxes. Directly donating a qualified minimum distribution (QMD), the minimum amount you must withdraw annually from your retirement accounts, to the NCCHC Foundation can meet the QMD and provide tax benefits, since the donated amount is excluded from taxable income.

Bequests

A bequest is gift made through a will or living trust designating a specific asset, amount, or percentage of an estate to the NCCHC Foundation after your passing. Simple to arrange, a bequest allows you to retain control of the assets during your lifetime.
